

Young investigator poster award
Rules for competition at the 28th Pediatric Work Physiology conference

- Prizes will be given for the best oral presentations by young investigators.
- Young investigator is defined as those registered for a PhD and not more than 2 years post PhD.
- Candidates must confirm their entry for the competition prior to the start of the conference.
- Judges are chosen on the basis of their knowledge and experience of the subject matter.
- Awards will be selected on the basis of excellence.
- Judging criteria on a scale of 1-5:
 - Scientific novelty and importance of work
 - Technical and methodological achievements of the study
 - Clarity and accuracy of presentation and illustration
 - Clear demonstration of a substantial personal contribution by the candidate
- The winners will have the highest total scores.
- In the event of a tie the final decision will be made firstly by negotiation between the judges, in a failure to resolve, the organising chair will make the final decision.
- Results will be announced at the conference dinner.

Poster Presentation
